HEADSUP B2B

BIOMASS (LEVEL 3.2)

Did you know?

Headsup B2B ka Manufacturing plant near **Kota, Rajasthan**, jo North aur West India supply ke liye feasible hai

REMEMBER

We cater to :

- Briquettes ~ 100 MT/day
- Pellets ~ 150 MT/day

Price ke alawa biomass choose karte waqt aur kya dekhna chahiye?

Agar sirf sasta rate dekha jaye toh:

- Ash zyada ho sakta hai
- Raw material consider krna is very imp
- Boiler choking aur frequent cleaning hoti hai
- Efficiency girti hai
- Maintenance aur downtime cost badhti hai
