HEADSUP B2B

ELECTRICALS (LEVEL 3.1)

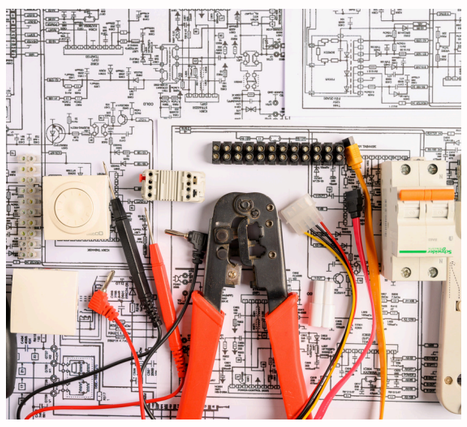
Advanced (Business Application)

Procurement kaise hota hai?

Electrical items mostly **OEM (manufacturer)** se directly source hote hain.

Procurement feasibility kaise check hoti hai?

- Required brand and specification available hai ya nahi
- MOQ client quantity se match ho raha hai ya nahi
- Delivery timeline project schedule ke saath align ho rahi hai ya nahi
- Stock vs manufacturing lead time clear kiya jaata hai



Branded Vs Local

Branded Item	Local Item
• Quality better hoti hai • Safety aur reliability high hoti hai • Warranty aur certification available hoti hai	• Thode cheaper ho sakte hain • Quality aur safety ki guarantee nahi hoti
