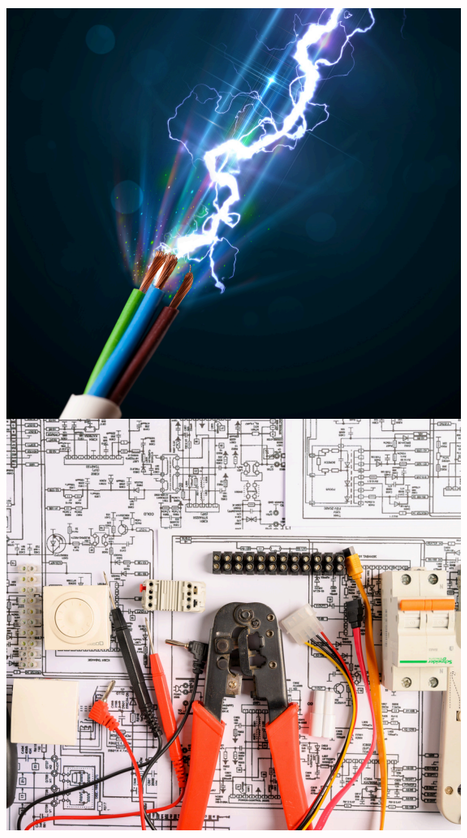
HEADSUP B2B

ELECTRICALS (LEVEL 3.2)

Advanced (Business Application)

Quality Compliance and Documentation Assurance



- Factory-level testing hoti hai
- Manufacturer MTC (Test Report) provide karta hai
- Client ko proof diya jaata hai ki approved brand aur specs use hui hain
- Certifications trust aur project approval ke liye critical hoti hain

Bulk Order Negotiation – Commercial Factors

Sirf **rate** par negotiation nahi hoti

Key factors :

- **Material availability**
- **Price stability**
- **Delivery timeline**
- **Payment terms**

Technical Requirement Matching (Sales Lens)

- Key parameters samajhna zaroori hota hai:
  Cross-sectional area (sq.mm)
  Voltage rating
  Insulation type
- Requirements **client** aur **site** dono taraf se aati hain
- Sales ka role hota hai **requirements ko accurately match karna**
- Client se **detailed specification list / BOQ** lena mandatory hota hai
- Manufacturer **BOQ ke basis** par hi material supply karta hai
